AMUSEMENTS.

CRAWFORD OPENING.
The Glass Stock company opened the regular stock season last night to one of the largest crowds ever in the Crawford. The company is a large one and manager Rich says it more than made good.

The play, "Brown of Harvard," served to introduce the entire company very nicely. Bert C. Gagnon looked and played the part of Tom Brown, better, according to manager Rich, than Harry Woodruff, who was seen in the part at \$2 per seat and besides being a clever actor, he has an excellent voice and led the college quartet, which made a big hit and received several well merited encores.

Of the others manager Rich says Burt Hodgekins, as Tubby Madden, was very good and showed himself to be a comedian that will win many friends with the class of work he did last night. Miss Edith Pollock, as Evelyn Kenyon, while the part is no great one, she showed herself to be an actress of ability and some clever work may be expected of her throughout the season. In fact the entire company is good and manager Rich thinks it the most evenly played stock company that has ever played the Crawford.

The play is handsomely staged and every little detail is looked after. The same bill will run the balance of the week. Seats now selling for the entire week, and season reservations can be made for any night in the week at the Crawford box office. Prices 15c, 25c and 50c.

AT THE MAJESTIC.
"The Irish Senator" is a new offering at the Majestic tonight and manager Rich says it is one of the best laugh producers of the season, and full of rich comedy, singing and dancing specialties, pretty chorus numbers, which all goes to make up one of the best bills of the season. Two shows nightly. Prices 10c and 25c.

COLORADO COURT KILLS TWO BIT LAW

It Declares Unconstitutional the State's New Campaign Fund Law.

Denver, Colo., Oct. 10.—The state supreme court today declared unconstitutional the "two bit law" passed by the last regular session of the legislature.

The law provided that the state should furnish campaign funds for political parties, a pro rata of 25 cents a vote being provided, based on the number of votes cast by each party for governor in the previous election.

Campaign contributions by corporations were prohibited, it being the intent of the law to take the "wash fund" out of politics.

BABY'S
PICTURE

Baby's picture ought to be taken now. His summer outing has done him good and his picture of healthy, happy babyhood will delight the admiring relatives, who perhaps, have never seen him. Then, too, now is a good time to have photographs made, while the bustle of Christmastide is still in the remote distance.

Of course, baby's picture must be a Feldman Fotograf. Not only will we be able to catch Baby in his sweetest and most natural pose but the exquisite finishing, the artistic workmanship that is expressed in a Feldman Fotograf makes it doubly valued.

Scene of New York Fire
That Swept Three Acres

A scene at the recent \$1,500,000 fire in New York which destroyed a whole block, including three acres of lumber yards, a hotel and important business buildings. The long rainless spell which New York has experienced left the lumber as dry as tinder, and the fire was one of the most spectacular in years. In spite of the fact that over three acres burned like a furnace, no one was injured and the firemen had the blaze under control within an hour.

KIDNEY OR BLADDER MISERY GOES
AND YOUR LAME BACK FEELS FINE.

Several doses will make your
out-of-order Kidneys
act fine.

No reader of this paper, whether man or woman, need be miserable because of Backache or kidney or bladder disorders. The time to cure kidney trouble is while it is only trouble—Before it settles into Dropsy, Gravel, Diabetes or Bright's Disease. Pape's Diuretic acts at once upon the kidneys, bladder and entire urinary system, cleanses, heals and regulates these organs, ducts and glands and completes the cure within a few days. The moment you suspect any kidney or urinary derangement, or feel a constant dull backache or notice that the urine is thick, cloudy, offensive or full of sediment, irregular of passage or attended by a sensation of scalding, you should begin taking Pape's Diuretic as directed, with the knowledge that there is no other remedy, at any price, made anywhere else in the world, which will effect so thorough and prompt a cure. Misery in the back, sides or joints, sick headache, inflamed or purify eyes, nervousness, Prostatic trouble, rheumatism and darting pains, heart palpitations, bilious stomach, dizziness, sleeplessness, listless, weak worn-out feeling and other symptoms caused by inactive, sluggish kidneys, simply vanish. Uncontrollable urination (especially at night), smarting, discolored water and all bladder misery ends. Your physician, pharmacist, banker or any mercantile agency will vouch for the responsibility of Pape, Thompson & Pape of Cincinnati, Ohio, who prepare Pape's Diuretic—50 cent treatment—sold by every druggist in the world.
